Performance data supplied by FE Analytics; C Accumulation share class performance, in sterling with net income reinvested and no initial charges. A Accumulation share class performance is provided up to launch of C Accumulation share class on 03.10.12. The performance of other share classes may differ. IA sector rankings may change at any time as a result of closure, movement between sectors or price amendments by competitor funds. The Fund's IA sector is IA Global and the benchmark is MSCI AC World Index. This fund is not tied to replicating a benchmark and holdings can therefore vary from those in the index quoted. For this reason, the comparison index should be used for reference only.

*The fraction of a fund invested differently to its benchmark. A 100% active share is a fund with no holdings in the benchmark, a 0% active share is a fund identical to the benchmark.
