4 REPRESENTATIONS / UNDERTAKINGS OF THE APPLICANT

1. The Applicant acknowledges and agrees that subscription monies received in respect of a Fund in advance of the issue of Shares will be held either in an Umbrella Cash Account in the name of the Company or, in an individual cash account in the name of a Fund. The Applicant further acknowledges and agrees that in each scenario, subscription monies will be treated as a general asset of the relevant Fund. The Applicant further acknowledges and agrees that investors will be unsecured creditors of the relevant Fund with respect to the amount subscribed and held by the Company until Shares are issued on the relevant Dealing Day and as such, investors will not benefit from any appreciation in the NAV of the relevant Fund or any other Shareholder rights (including dividend entitlement) until such time as Shares are issued on the relevant Dealing Day. The Applicant further acknowledges and agrees that in the event of an insolvency of the Fund or the Company, there is no guarantee that the Fund or Company will have sufficient funds to pay unsecured creditors in full.
2. The Applicant acknowledges and agree that payment of redemption proceeds and dividends in respect of a particular Fund is subject to receipt by the Administrator of original subscription documents and compliance with all anti-money laundering procedures and that notwithstanding this, redeeming Shareholders will cease to be Shareholders, with regard to the redeemed Shares, and will be unsecured creditors of the particular Fund, from the relevant Dealing Day. The Applicant further acknowledges and agrees that pending redemptions and distributions, including blocked redemptions or distributions, will, pending payment to the relevant Shareholder, be held either in an Umbrella Cash Account in the name of the Company or, in an individual cash account in the name of a Fund. The Applicant further acknowledges and agrees that in the event of an insolvency of the relevant Fund or the Company, there is no guarantee that the Fund or the Company will have sufficient funds to pay unsecured creditors in full. Data Protection – Customer Information Notice

The Common Reporting Standard (CRS), formally referred to as the Standard for Automatic Exchange of Financial Account Information, is an information standard for the automatic exchange of information (AEOI), developed in the context of the Organisation for Economic Co-operation and Development (OECD).

The standard requires that Financial Institutions in participating jurisdictions gather certain information from account holders (and, in particular situations, also collect information in relation to relevant Controlling Persons of such account holders).

Under CRS account holder information (and, in particular situations, information in relation to relevant Controlling Persons of such account holders) is to be reported to the relevant tax authority where the account is held, which, if a different country to that in which the account holder resides, will be shared with the relevant tax authority of the account holder's resident country, if that is a CRS-participating jurisdiction.

Information that maybe reported includes name, address, date of birth, place of birth, account balance, any payments including redemption and dividend/interest payments, Tax Residency(ies) and TIN(s).

Further information is available on the OECD website: <http://oecd.org/tax/automatic-exchange/>
