Key risks:

Past performance is not a guide to future performance. The value of an investment and the income generated from it can fall as well as rise and is not guaranteed. You may get back less than you originally invested. Investment in the Fund involves a foreign currency and may be subject to fluctuations in value due to movements in exchange rates. The Fund holds a concentrated portfolio which could mean that it will be volatile when compared to its benchmark. Investment decisions should not be based on short-term performance.

Charges

Initial charge	Up to 5.00%
Ongoing Charges Figure*	1.63%
Included within the OCF is the Annual Management Charge**	1.50%

*The Ongoing Charges Figure (OCF) covers all aspects of operating a fund during the course of its financial year. These include the annual charge for managing the fund, administration and independent oversight functions, such as trustee, depository, custody, legal and audit fees. The OCF **excludes** portfolio transaction costs except for an entry/exit charge paid by the Fund when buying or selling units in another fund. This will have an impact on the realisable value of the investment, particularly in the short term. **These are the annual costs of running and managing the Fund.
