Asset Management

Majedie Asset Management

Majedie Asset Management was founded in 2002. We are an independent, active equity specialist, managing high-conviction Global, International, US and UK strategies. Employee-ownership, with a strict capacity discipline across a small number of strategies, and a culture of co-investment in our funds, aligns our interests with those of our clients. Our simple objective is to make money for our clients, responsibly.

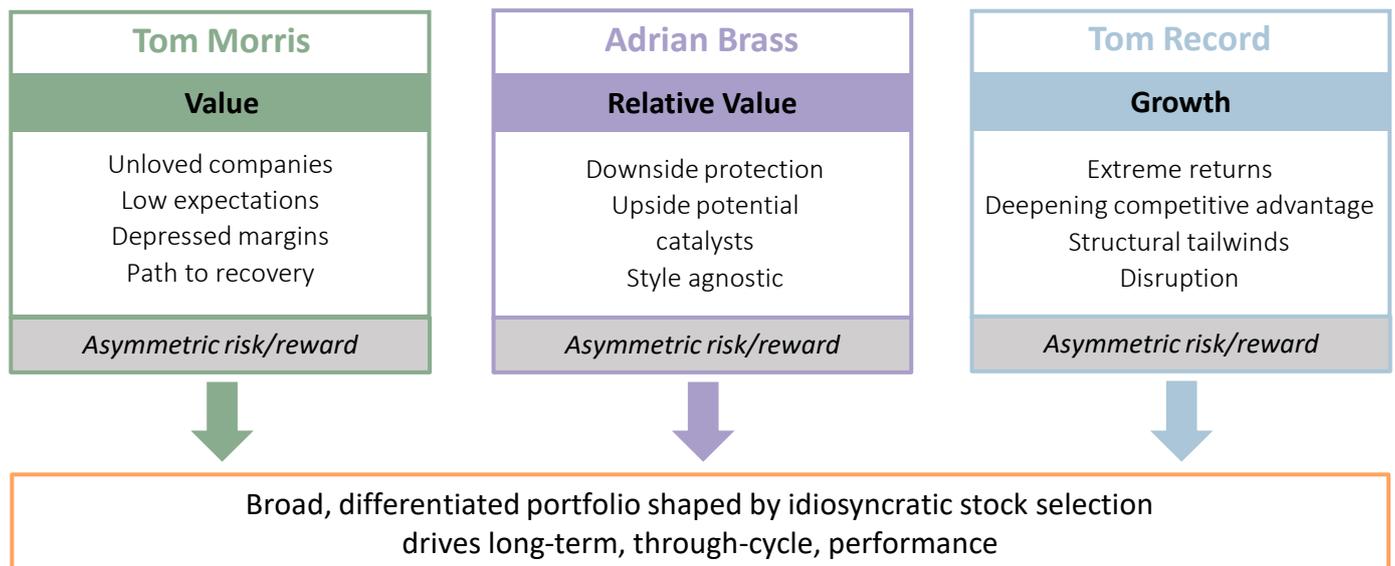

OVERVIEW

- Capturing style extremes and turning points**
 Three managers with complementary styles in one dynamic portfolio
- Our philosophy embraces uncertainty**
 Opportunity for truly active investors to add value through analysis
- Long-term, fundamental, high conviction investment process**
 Identifying stocks where the long-term risk/reward is jarringly skewed to the upside
- Integrated ESG approach**
 Materiality assessments and resiliency scores
- No innate style or country bias, not skewed to one type of stock**
 Capturing Developed and Emerging market opportunities
