

Majedie Asset Management

Majedie Asset Management was founded in 2002. We are an independent, active equity specialist, managing high-conviction International, Global, US and UK strategies. Employee-ownership, with a strict capacity discipline across a small number of strategies, and a culture of co-investment in our funds, aligns our interests with those of our clients. Our simple objective is to make money for our clients, responsibly.

Overview

- **Growth investing with flexibility**
Driven by fundamental analysis, opportunistically contrarian
- **High Conviction**
35-45 stock portfolio
- **Long term and low turnover**
5+ year investment horizon, typically 15-20% p.a. turnover
- **Captures Developed and Emerging Markets opportunities**
Deep EM investment experience

Fund Manager

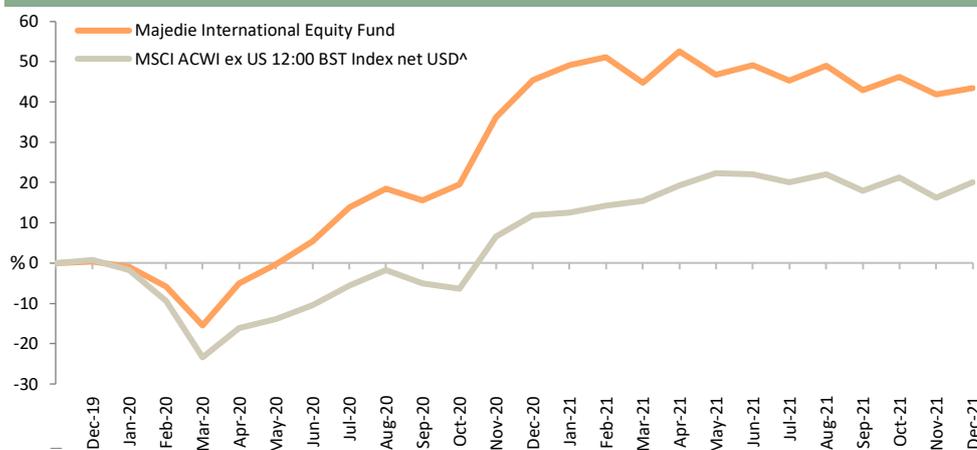

Tom Record joined Majedie in 2014 as Head of Global Equities. Previously he was an Investment Manager at Baillie Gifford, where he helped build and manage institutional portfolios with combined International Equity assets of \$30bn. While at Baillie Gifford, he also managed a selection of Global Emerging Market funds.

Tom has 20 years' investment experience. He holds Master of Arts and Master of Natural Sciences degrees, specializing in Biochemistry, from Pembroke College, Cambridge. He is a CFA charter holder.

Fund Managers and Analysts benefit from the collaboration and cross-fertilization of ideas within Majedie's 16-strong investment team.

The Global Infusions Podcast

Investors Tom Record and Tom Morris explore big themes shaping the future and discuss the month's most surprising news stories, all in the time it takes to drink a cup of tea.

The Art of Keeping Calm

Media and political framing of Covid-19 has often been at odds with the science. Tom Record considers the cognitive biases that make focusing on the data so difficult.

Long-lasting Behavioural Changes Beyond the Pandemic

Tom Record and Tom Morris consider the sorts of long-lasting behavioural changes that could stay with us beyond the Covid-19 pandemic.

Capacity for Hire

While nearshoring has become a powerful legacy of the pandemic, outsourcing will continue to drive innovation, disruption and competitive advantage for many years to come, writes Tom Record.

Generally Speaking

Specialists play an important role in many fields. When it comes to investing, however, Tom Hosking believes generalists could have the advantage.

Three drivers of the next leg up in Biotech

The rapid design of Covid vaccines is just one of the rewards of the Biotech revolution. Tom Record writes about the three key ingredients behind the next leg up for investors.
